

# Copco Connection

May 2011

On the go, in your car or at your desk, keep your favorite drink handy with the new [Copco Mix 2 Go™](#). The bottle features a dry storage cylinder for keeping two single-serve drink mix sticks easily accessible. When you're ready for flavored water, remove a drink mix stick, empty it into the bottle and shake to mix.

No more boring water! When the mood strikes for flavor or nutritional enhancements, shake it up in the [Mix 2 Go™](#)!

Perfect for those who are eco-conscious and economically aware, [Mix 2 Go™](#) is reusable, BPA-free, highly durable, top-rack dishwasher safe and impact resistant for years of continual use. The lid has an integrated flip-open straw for sip, no-tip drinking.

The bottle is available in three trend-right colors: Navy, Lime and Pink. For more information on the Mix 2 Go™ bottle or other beverage-to-go options, visit [www.copco.com](http://www.copco.com).

.....  
[Copco](#), a Wilton Industries Company, headquartered in Woodridge, Illinois, was founded in 1960, and is a leading designer and manufacturer of tea kettles, thermal products, kitchen accessories, and food preparation tools.
