

Copco Connection

April 2011

When it comes to storage, "out of sight, out of mind" might be a good idea in the short term, but what happens when you actually need to find something? Copco has the solution! These helpful dividers go beyond storing basic silverware. From junk drawers to kitchen cabinets, Copco's Wire Mesh Storage can organize the toughest clutter and maximize use of space.

Try consolidating small pantry items - seasoning packets, nuts and snack bags of chips or crackers - with this [medium food storage organizer](#). It fits perfectly in a cabinet or on a pantry shelf!

Use this [3-part utensil organizer](#) for storing larger, longer items such as whisks, large spoons, tongs, cake servers and spatulas.

The clean, contemporary styling of Copco's [wire mesh storage organizers](#) fits into every room of the house. They are perfect for first-aid items in the bathroom and small accessories like rolled belts and folded scarves in the bedroom!

Copco storage and organization products are designed to save space and look great. See the entire product line at www.copco.com.

.....
[Copco](#), a Wilton Industries Company, headquartered in Woodridge, Illinois, was founded in 1960, and is a leading designer and manufacturer of tea kettles, thermal products, kitchen accessories, and food preparation tools.
